2

Vision health is a priority for Fidelis Care, emphasizing preventive care and regular eye exams.

Regular eye exams assess visual acuity and screen for conditions like glaucoma, cataracts, and macular degeneration.

3

4

Fidelis Care's commitment to vision health extends beyond routine exams, providing options and resources for members seeking vision correction.

LASIK (Laser-Assisted In Situ Keratomileusis) is a prevalent elective eye surgery sought by individuals aiming to correct their vision and potentially eliminate reliance on glasses or contact lenses.

5

6

Despite its popularity, most insurance plans classify LASIK as an elective procedure, making it typically not covered by insurance.

Fidelis Care aligns with the industry standard regarding LASIK coverage, but LASIK surgery generally falls outside the scope of coverage offered by Fidelis Care plans.

8

LASIK surgery and other elective procedures may not typically be covered under insurance plans like Fidelis Care, but there are exceptions and opportunities for discounts worth exploring.

Some insurance plans, including Fidelis Care, provide discounts on elective procedures like LASIK eye surgery. Essential Plan members with Fidelis Care may enjoy additional vision benefits at no extra cost.
